ABOUT ME

Informatics Engineering undergraduate with hands-on internship experience in operational administration, data management, and communication quality control. Proficient in handling user databases, spreadsheets, and digital payment dashboards under tight deadlines. Eager to leverage technical and analytical skills in administrative, quality assurance, or operational roles.

EDUCATION

Indraprasta PGRI University - Jakarta, Indonesia

2023 – Present

Informatics Engineering | Expected Graduation: 2027

PROFESSIONAL EXPERIENCE

Part-Time Administrative Marketplace | IRZ Shop

Depok, West Java | 2024 - 2026

- Managed customer inquiries regarding technical and non-technical issues via a real-time chat platform, maintaining high satisfaction rates.
